# Why Africa needs us to collaborate

- Romans 1:16-17... “For I am not ashamed of the **Gospel of Christ**, for it is the **power of God** for **salvation** for everyone who believes, for the Jew first and also for the Greek. For **in it** the **righteousness of God** is revealed from faith to faith; as it is written, “The just shall live by faith””
  - Africa needs to experience a faith that wins. Such faith reverses the natural order of things.
  - God’s righteousness is His effective work that cannot be limited to mere declaration
  - His righteousness represents the unleashing of His power in an active way
  - This revelation of God’s righteousness will cause God’s kingdom to come

# Why Africa needs us to collaborate

Hebrew 5:13 TPT

“For every spiritual infant who lives on milk is not yet **pierced** by the **revelation of Righteousness**”

**Africa** needs a revelation of God’s righteousness, which we have revealed to us by faith

- By Africa I mean every space, every creature, every land, every mineral, every resource!
- All creation has the capacity to hear and feel God’s righteousness revealed. That is the way it happened at Jesus’s resurrection, at the red sea parting, when the rock gushed water.

# Why Africa needs us to collaborate

- **We** have the keys of the kingdom- Matthew 16:19
  - What are some of these keys – Matthew 18:19 (agreement), John 17:21 (unity), Faith, etc
- **We** have the powerful one living in us- 1 John 4:4
- **We** are the ones to manifest or be unveiled- Romans 8:19
- **We** are the ones who fight fair- 2 Cor 10:4
- **We** are the ones who put thousands of enemies to flee- Joshua 23:10
- **We** are the inheritors of the earth- Matthew 5:5

**Imagine with me**

# The EK Story of Collaboration

- Collaboration is not for survival.
- The men who built America did not think in terms of money. They thought in terms of winning.
- We collaborate from a place of those who have everything already.

## Our story

- Kasangati, Mukono, spices, products for the rural people, and a new one coming soon
- Houses for the team members, skilling of very talented but under privileged
- Prayer during the pandemic (220 covered, 197 healed, lost only 3)
- Missions (door to door, crusades and churches)
- Prayer altars, quarterly overnights, teaching of the word to staff, investment in marriages

# The EK Story of Collaboration

What has made the synergy work

- Trust
- Understanding that we are good together and we win together
- Total agreement
- Accountability
- Knowledge of the law
- Stewardship
- Understanding that we are different parts of the same body
- Leadership
- The burden for Africa (Shared burden)
