# Driving Kingdom Economics (Social Enterprises)

# Why Africa?

Why?

# The spiritual – natural cycle of redemption

# God's original design

Any strategy for redemption has to start with seeking God's original design.

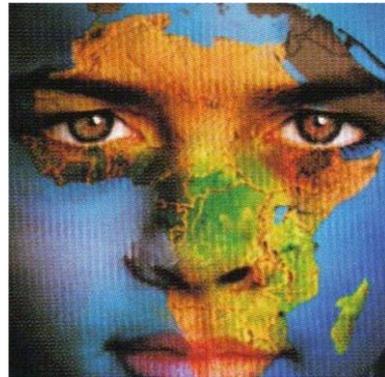

# The God given DNA of Africa

- ✓ Genesis 2 – Description of the Garden of Eden
- ✓ Abraham and Jacob come to Africa during famine
- ✓ Africa feeds the world through Joseph
- ✓ Marital union between Israel and Africa births 2 of the 12 biblical tribes of Israel (Manasseh and Ephraim)
  - \* *Manasseh = making to forget my hardship*
  - \* *Ephraim = being fruitful*
- ✓ The nation of Israel is birthed and 1<sup>st</sup> resourced from Africa
- ✓ Queen of Sheba takes gold and precious minerals to King Solomon
- ✓ Jesus comes to Africa to seek refuge and safety
- ✓ Simon of Cyrene helps Jesus carry the cross
- ✓ God decides that the 1<sup>st</sup> salvation outside Jerusalem after Penteco be an African

# Still the resource continent of the world today ..... and will always be

- ✓ **The Breadbasket and natural Medicine Cabinet of the world** – 60% of unused arable land
- ✓ **The mineral treasury of the world** – 30% known mineral reserves
- ✓ **Natural raw material storehouse of the world** – largest global raw material supplier

# What Africa was created to do (God's original design and purpose for Africa)

- ✓ **Provision** for the nations (Resources and generosity)
- ✓ A place of **refuge** for the nations (Place of safety)
- ✓ **Serve** the nations (Servanthood)
- ✓ Display unconditional **forgiveness** to the nations
- ✓ Demonstrate her great '**ability**' to steward great resources
- ✓ **Birth** what God wants to release to the nations
- ✓ To fulfil '**what is last will become first**' principle to the nations

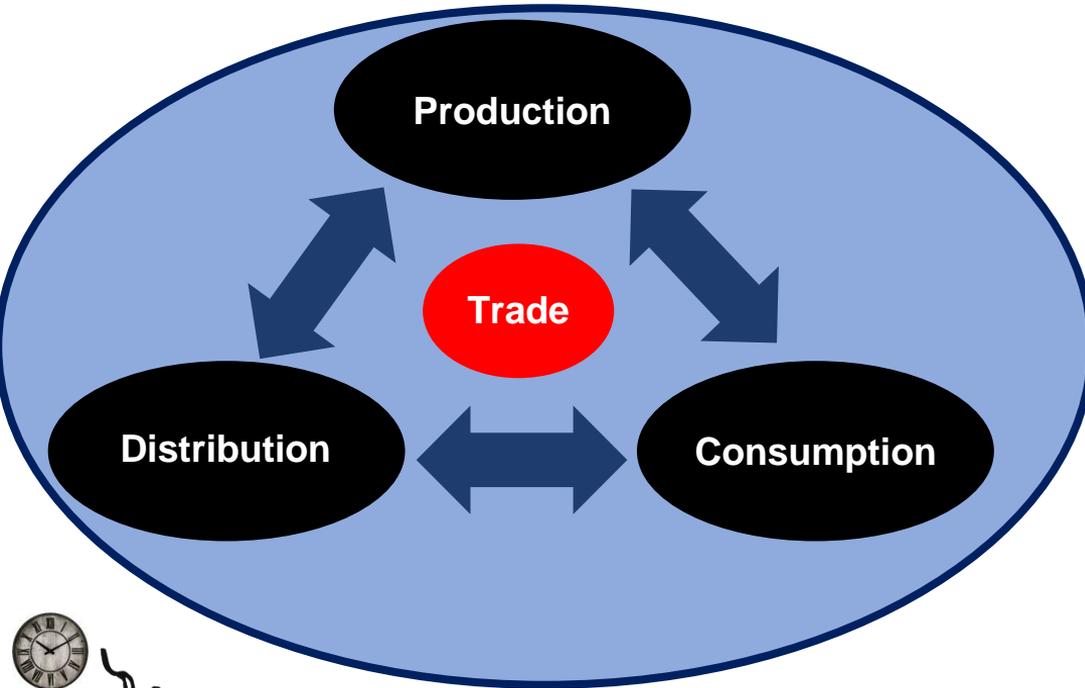

# Oikonomia

## ‘Management of the household’

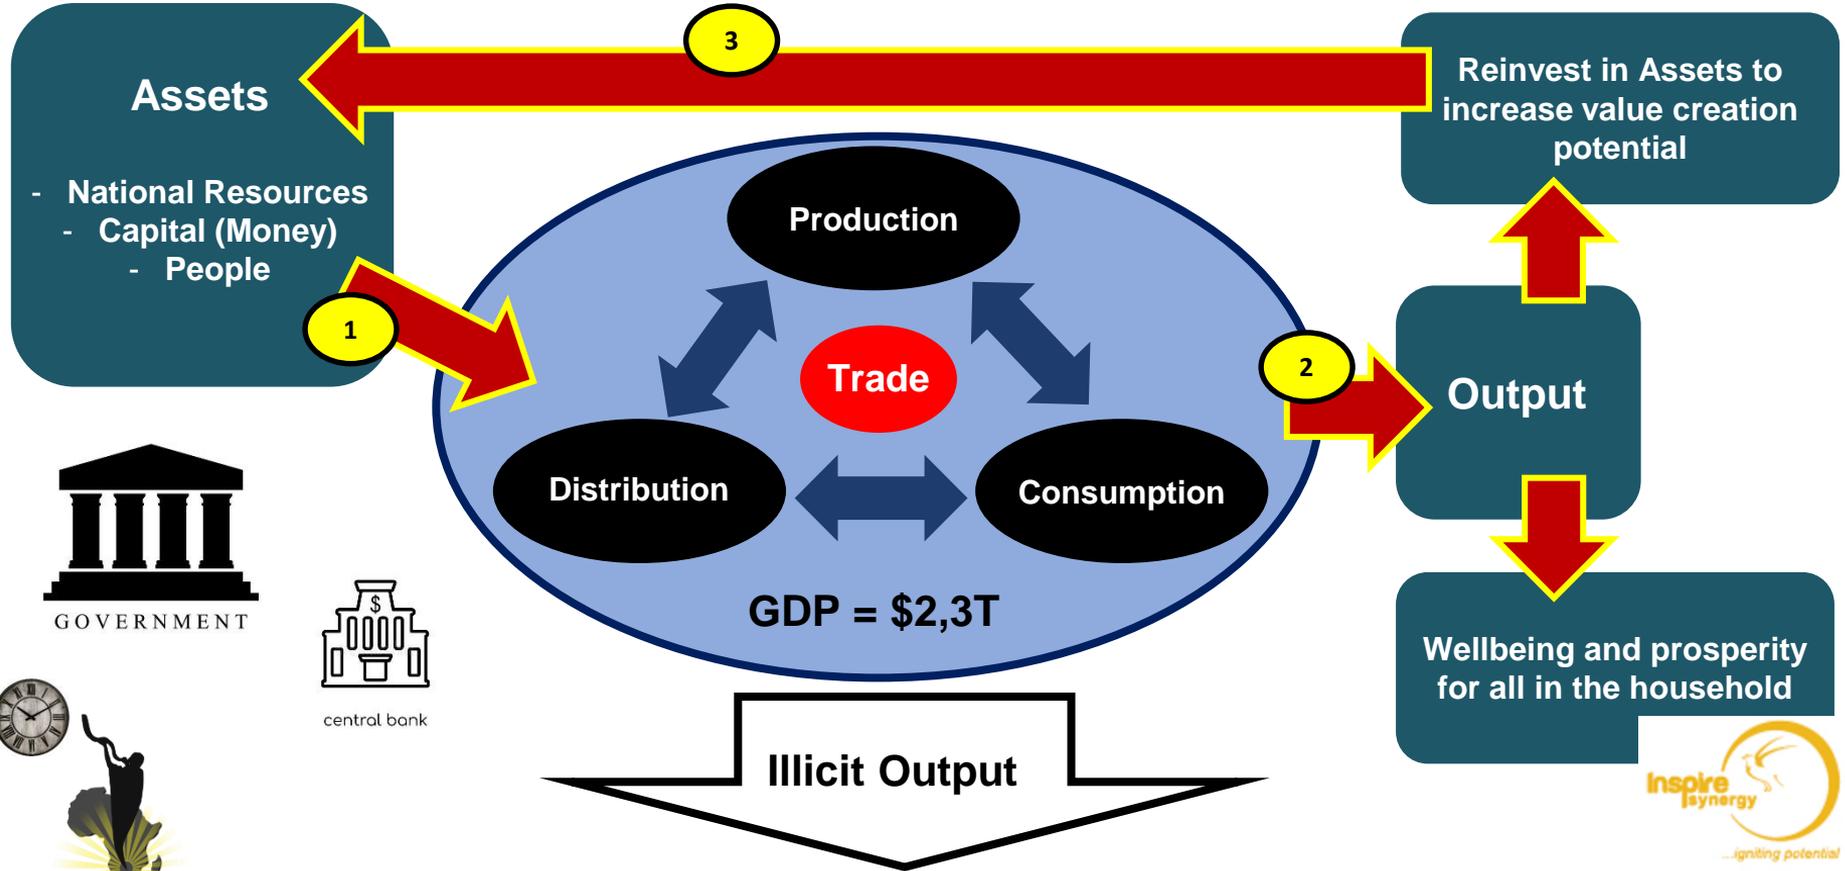

# The basics of an Economy (Oikonomia)

- (1) **Production** – create value through a product or service
- (2) **Distribution** – offer it to market and deliver it to those who need it
- (3) **Consumption** – other businesses, organisations or individuals purchasing the value
- **Trade** links the 3 and within trade is exchange of value mainly through money (as a medium of value exchange)

# Africa's current economic eco-system

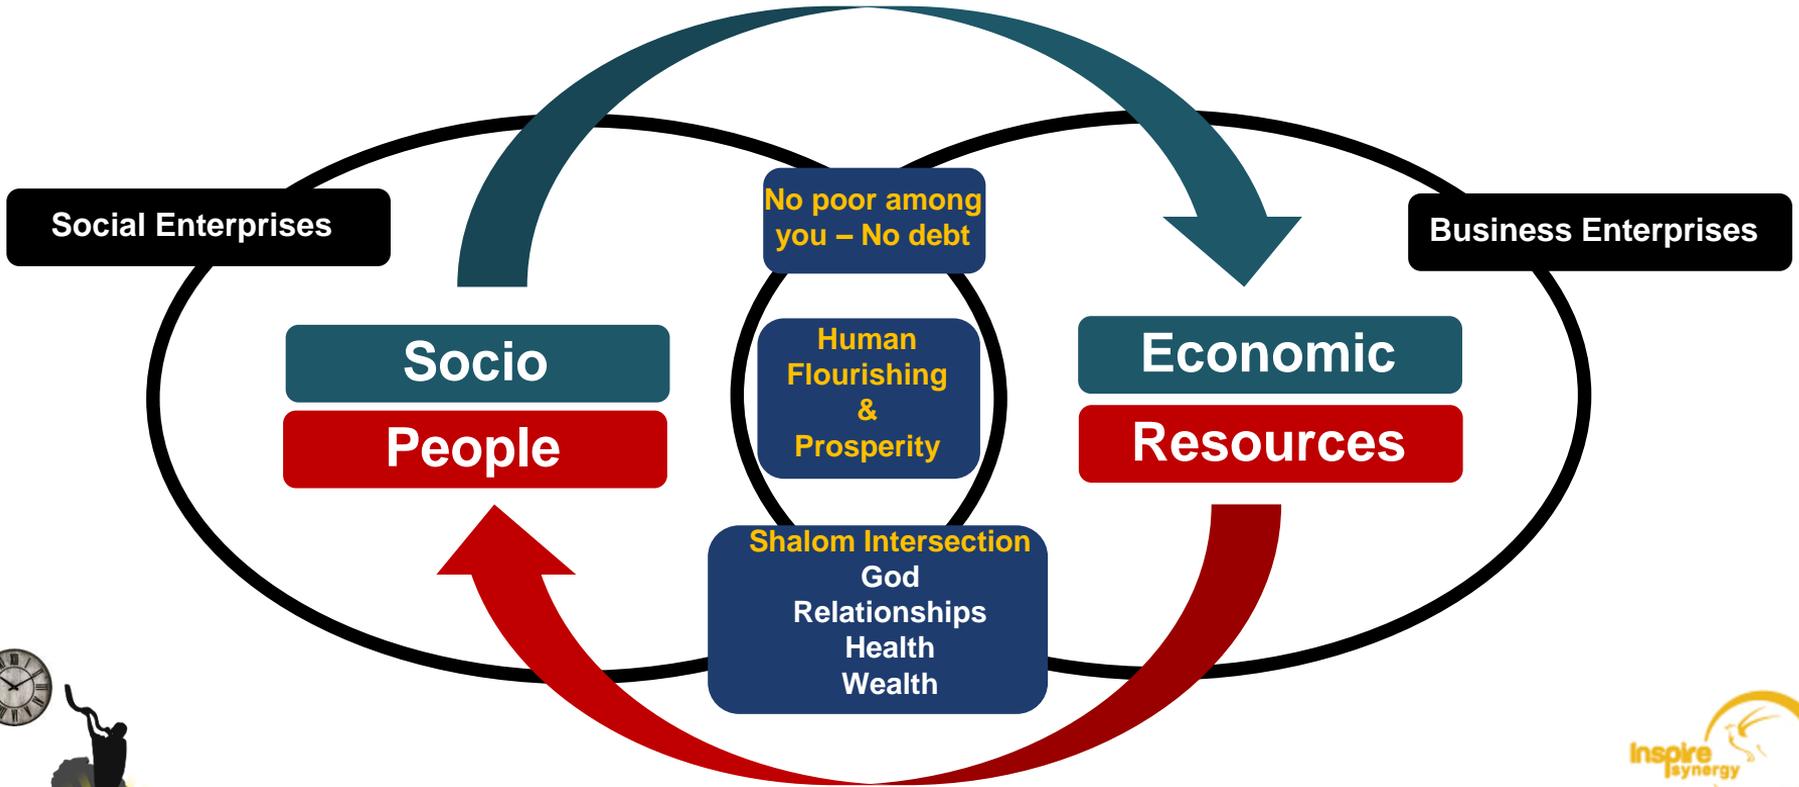

# Redeem Africa's economic eco-system

# The foundation of economic redemption

# People – Resource investment cycle

# Primary objectives of Social Enterprise

**Our position regarding Identity and Inheritance will determine purpose and how we apply our gifts, talents, and skills to the resources we have access to, and hence maximize our ability to steward resources (including personal health, education & time) to bring fruitfulness, multiplication and fullness so that all in society (the household) shall prosper**

# Dwelling under God's social covenant

# Prophetic unction

## (What I believe God is saying to us)

- ✓ AFRICA It's your time to build
- ✓ AFRICA It's your time to be the head and not the tail
- ✓ AFRICA It's your turn to ascend to the 'impossible now made possible' and lead the world to follow

# Thank You
