AFRIKA'S RESET!

PREPARING AFRIKA FOR COMPLETE RESET (FRAMEWORKS)

Rev. Anthony Ashaye

⁶ “No, this is the kind of fasting I want: Free those who are wrongly imprisoned; lighten the burden of those who work for you. Let the oppressed go free, and remove the chains that bind people. ⁷ Share your food with the hungry, and give shelter to the homeless. Give clothes to those who need them, and do not hide from relatives who need your help. ⁸ “Then your salvation will come like the dawn, and your wounds will quickly heal. Your godliness will lead you forward, and the glory of the Lord will protect you from behind. ⁹ Then when you call, the Lord will answer. ‘Yes, I am here,’ he will quickly reply. “Remove the heavy yoke of oppression. Stop pointing your finger and spreading vicious rumours! ¹⁰ Feed the hungry, and help those in trouble. Then your light will shine out from the darkness, and the darkness around you will be as bright as noon. ¹¹ The Lord will guide you continually, giving you water when you are dry and restoring your strength. You will be like a well-watered garden, like an ever-flowing spring.

¹² Some of you will rebuild the deserted ruins of your cities. Then you will be known as a rebuilder of walls and a restorer of homes.

ISAIAH 58: 9-12 NLT

RESET

Restore back to original design/capacity.

*Often required when a device is NOT
functioning according to intended design.*

Our children are our only hope for the
future, but we are their only hope for their
present and their future....

– Zig Ziglar

Afrika has been loaded with resources, the last one to be released by heaven are human capabilities...

**40% of humanity will be AFRIKAN by
2100**

SOARising

1 Billion born to Afrika by 2050

We in God, are their ONLY hope

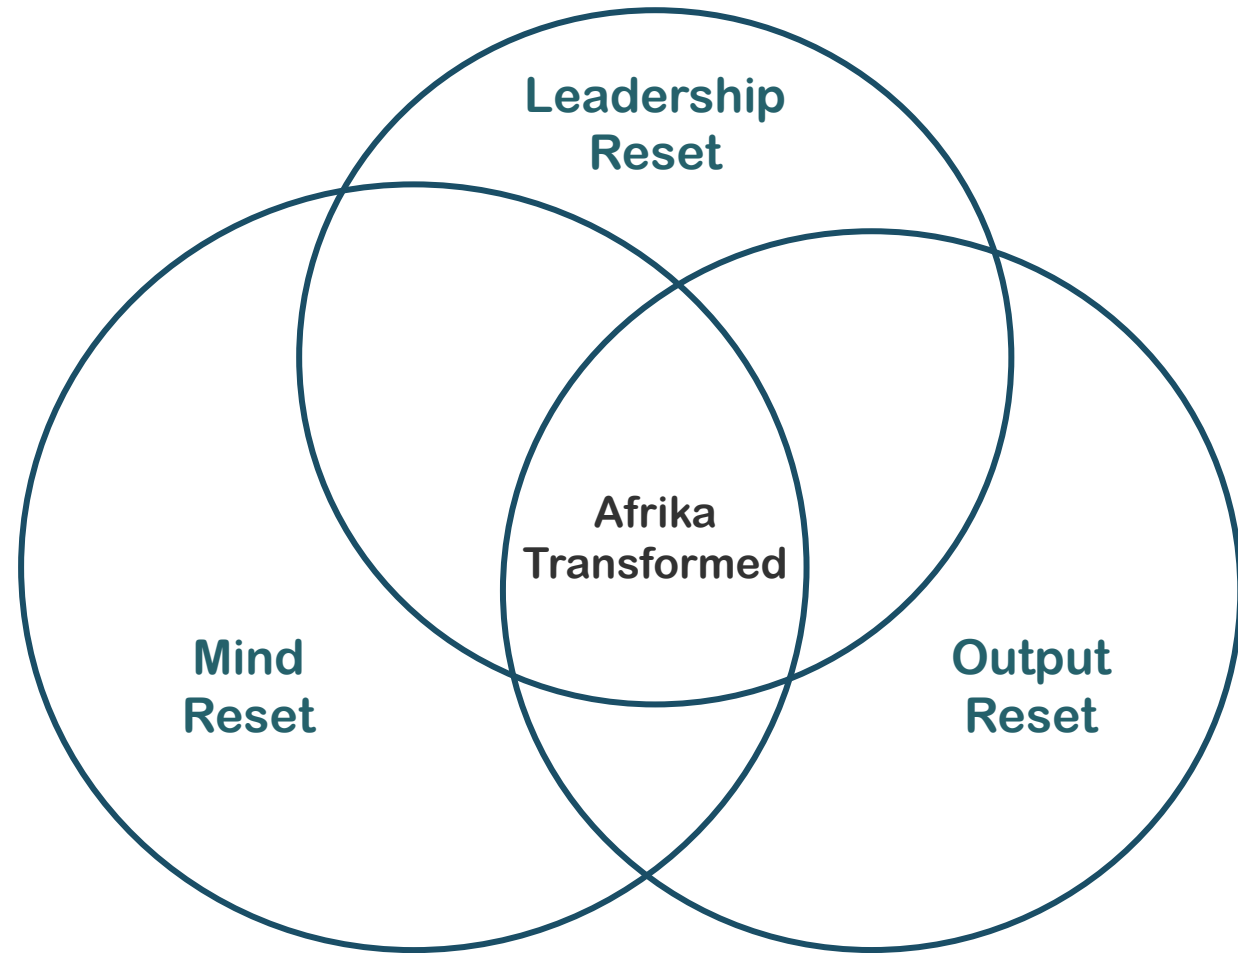

COMPLETE RESET is required to change our deliverables...

“Insanity is doing the same thing over and over and expecting
different results”

**Afrika
Transformed**

3 AREAS OF RESET REQUIRED FOR AFRIKA

4 areas of leadership reset

Political leadership
restore transformational political leaders

Priesthood leadership restore God and community serving priests

Parenthood leadership
prioritise the arrows given to them

Personhood leadership take charge of destiny, no sense of entitlement.

RESET

Parenthood/Personhood leadership

Facilitate opportunities for
responsibility to come back to the
home.

Priesthood

Utilise our influence to shape and
reset family agenda to deliver
community/national/continental
transformation....

EPHESIANS 4: 11-12 NLT

The kind of work that should be prioritised:

FREE: Freedom from oppression

GIVE : Equality and equity of access to resources

REMOVE: Burdens and inequality

FEED: Welfare leading to empowerment.

ISAIAH 58: 9-12

**Utilise the priesthood to deliver political leadership,
let the integrity set by the priesthood, guide the political
leaders**

Rev. Anthony Ashaye

The background of the slide features a semi-transparent image of a man in a dark suit and tie, standing and gesturing with his hands while speaking to a group of people seated around a table. The scene is set in a professional meeting environment with indoor plants visible. The entire image is overlaid with a solid yellow filter.

MIND RESET

Consumerism to productive leadership

We must educate the next generation but create opportunities for vocational training/personhood learning that fit positions

TOTAL ECO-SYSTEM TRAINING

Church/Priesthood can leverage their resources to deliver marketplace programs (not free but affordable) to skill up the next generation for Afrika's needs.

A woman with long dark hair is sitting at a wooden table in a library, reading a book. The background is filled with tall wooden bookshelves packed with books. The entire scene is overlaid with a semi-transparent yellow filter. The text is centered in white, bold font.

**Western history showed churches were
central to skilling up western positioning
from Catholic/Baptist/Methodist
churches**

**Priesthood must lead the agenda for
1 billion capable and skilled souls**

**Stopping consumerism/prosperity mind addictive
messages and teach community/posterity,
preservation/delayed gratification messages**

EPHESIANS 4: 11-12

OUTPUT RESET

Some of you will rebuild the deserted ruins of your cities. Then you will be known as a rebuilder of walls and a restorer of homes

Isaiah 58:12 NLT

Imperative we realise the scale of the reset required.
The assets given to Afrika is an indication of the work ahead i.e. natural resources and human asset

VALUE ADDITION ON THE CONTINENT....

**Export of raw materials has been our historical setting.
The complete reset requires need to build value addition
output capacity to rebuild/ transform Afrika**

Value Addition Areas

- Human raw materials into highly skilled workforce able to attract trade into Afrika
- Raw produce – Value addition into finished products to increase our financial resources.
- Real assets – Land, claim ownership and add value through titles/developments to create a wealthier Afrika – increase GDP from \$2.7bn to \$14bn within a decade of value addition through titles.

This level of value addition requires urbanisation and industrialisation of Afrika:

We leaders/community influencers/
financiers/diaspora capacity have to deliver

OUTPUT RESET from raw export to high value
socio-economic experiences.

God's Agenda

God had an agenda for the rebuilding of Jerusalem and had described in detail, through Prophet Isaiah who will spearhead this move i.e.

Cyrus and timing by Jeremiah i.e.
70 years

In the first year of King Cyrus of Persia, the Lord fulfilled the prophecy he had given through Jeremiah. He stirred the heart of Cyrus to put this proclamation in writing and to send it throughout his kingdom: ² ***"This is what King Cyrus of Persia says: "The Lord, the God of heaven, has given me all the kingdoms of the earth. He has appointed me to build him*** a Temple at Jerusalem, which is in Judah. ³ Any of you who are his people may go to Jerusalem in Judah to rebuild this Temple of the Lord, the God of Israel, who lives in Jerusalem. And may your God be with you!" ⁴ Wherever this Jewish remnant is found, ***let their neighbours contribute toward their expenses by giving them silver and gold,*** supplies for the journey, and livestock, as well as a voluntary offering for the Temple of God in Jerusalem."

⁵ ***Then God stirred the hearts of the priests and Levites*** and the leaders of the tribes of Judah and Benjamin to go to Jerusalem to rebuild the Temple of the Lord. ⁶ And all their neighbours assisted by giving them articles of silver and gold, supplies for the journey, and livestock. They gave them many valuable gifts in addition to all the voluntary offerings.

EZRA 1: 1-6 NLT
